

FLEX-Stay

Insurance for Temporary Living

Short-term stays come with unique risks and insurance needs. FLEX-Stay insurance for temporary living provides insurance coverage designed to meet the requirements of short-term residences.

Who Needs FLEX-Stay Insurance?

FLEX-Stay insurance is designed for short-term stays of less than 180 days.

DO YOU OWN OR MANAGE A TEMPORARY HOUSING COMPANY?

Landlords with long-term rentals have realized the importance of insurance coverage, and many require renters insurance in their leases. Now you can protect your temporary housing company by offering FLEX-Stay insurance to your guests.

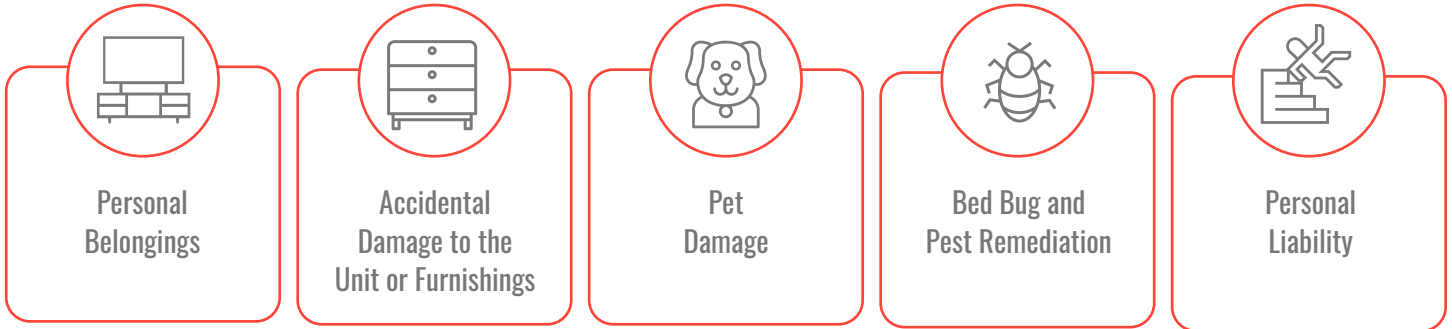

ARE YOU A CORPORATE MANAGER DEALING DIRECTLY WITH EMPLOYEES WHO ARE RELOCATING?

Attracting top talent is difficult in today's market, especially when relocation is required. Gain a competitive edge by providing your new hires with the insurance protection they need during a temporary residence.

DO YOU WORK AT A RELOCATION MANAGEMENT COMPANY?

Your clients need insurance coverage, but they may not be familiar with insurance coverage for temporary stays. Make sure your clients understand the value of FLEX-Stay insurance and offer this protection to them.

A BUNDLED SOLUTION FOR COMMON TEMPORARY HOUSING RISKS

Five Reasons to Use FLEX-Stay Insurance

- 1 Most renters and homeowners insurance policies have high deductibles to discourage claims. RIG's FLEX-Stay offers lower deductibles for qualifying guests.
- 2 RIG's FLEX-Stay offers low daily rates for personal property and liability coverage. Only pay when you stay.
- 3 The Quick Fill application process is easy to complete and just requires the contact details and address. There's no need to list all of the individual items to be insured.
- 4 Your guests don't need to worry about their renters or homeowners policy taking a hit. With RIG's FLEX-Stay, there are no premium spikes or cancellation fees.
- 5 Claims are handled quickly, and policyholder satisfaction is our top priority.
