

Safeguard Your Most Treasured Belongings

Downsizing Peace of Mind

Downsizing? You know firsthand that the belongings you've chosen to hold onto really matter. Moving insurance can give you the peace and confidence of knowing that your most important items are covered while in transit.

Valued Inventory Insurance

For NASMM Move Managers and their senior clients, we offer Valued Inventory policies to insure items packed in boxes by NASMM member companies. Our NASMM program does not include furniture or other non-packed items. However, if you are moving with one of our approved affiliate moving companies, and you prefer lump sum coverage, have your senior move manager call us. We may be able to set that up for you.

Trust [MovingInsurance.com](https://www.movinginsurance.com)
